Project Purley Outings

R200123 27/2/2017

Over the years Project Purley has organised a large number of outings for our members. In most cases a report has been published in the Newsletter or Journal. Here are some of the more interesting ones:-

We are in the process of compiling articles to document various aspects of the history of Purley on Thames. The one you have tried to access has either not yet been written or has not yet been converted to pdf.

If this topic is of particular interest to you why not have a go at writing it. We have an enormous archive of material to work with and can give you help to get started.

Expressions of interest or completed articles should be e-mailed to :-

john.chapman@purley.eu

We can accept .txt files or Microsoft Word plus a few other formats. However it is much more convenient to have a pdf file.
