

Account of Purley on Thames

Magazines

R200530 3/3/2018

Introduction

A magazine serves a somewhat different purpose to a newspaper. They are usually smaller in sheet size but bigger in page count and set out to provide information as well as specialist news. They usually have either a very limited geographical coverage or a very specialised readership. We will consider magazines in three groups:-

Those that are mainly concerned with Purley

Those which have a county wide audience

Those which have published articles of particular relevance to Purley

Purley focussed magazines

The two magazines to highlight are

Purley Parish News

Project Purley Journal

County Wide magazines

Berkshire Life

BLHA Newsletter

Specialist magazines
